Sangean's new sleek and unique K-200 Multi-Function Upright AM/FM-RBDS Digital Radio brings a multi-media entertainment center to your home or office, which combines the features of a traditional alarm clock. The down-firing Omni-directional 2.5" full-range speaker disperses sound in all directions, so you can place the K-200 anywhere in your room and enjoy your favorite music and news with high performance sound quality that plays your music with crystal clear digital sound, deep bass tones for more powerful overall sound....the eye-catching night light with eight brightness settings definitely gives a little brightness on your counter-top.

A perfect companion in the kitchen while you're cooking or baking....easy set, one touch cooking timer is built-in and eliminates the need for an additional timer in your kitchen for food preparation and other purposes. You also have the ability to record 2 voice message notes with each 30 seconds duration.

You can connect your iPod or MP3 player through the Aux-in jack and listen to your favorite tunes at your convenience....with 10 station presets makes tuning in a desired station simple and precise with accurate, drift-free tuning of AM and FM radio stations. Set up to 5 of your favorite FM and 5 AM stations.

Bringing valuable electronics into your room, garage or patio can sometimes be a hassle. But the K-200's clean design and flat membrane push buttons make for quick and easy cleaning.
